A woman with short dark hair, wearing a blue button-down shirt and a black lanyard, is seated in a red TED audience. She is smiling broadly and looking upwards and to the right. In the foreground, the back of a person's head and shoulders is visible, also looking in the same direction. The background is filled with other audience members, some blurred, under warm stage lighting.

“I was so overstimulated, so anxious, so excited, that my stomach couldn’t keep anything down. The energy is electric at TED.”

-Tahnee
