# Our mission is simple...

**Healthy Nutrition**

**Clean Water**

**Safe Shelter**

**Medical Care**

**Quality Education**

# Our mission is simple...

**Healthy Nutrition**

**Clean Water**

**Safe Shelter**

**Medical Care**

**Quality Education**

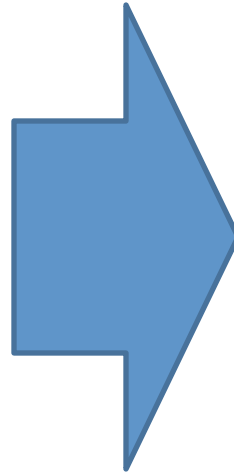

The foundation is education.

**Quality Education**

▶ **Healthy Food**

▶ **Clean Water**

▶ **Safe Shelter**

▶ **Medicine**

# Community-driven education

# The school as a community hub.

Attending school is great, but...

we must remove barriers.

**Working with the government is a good idea...**

\$

# Moving forward

# Weaning from the common model.
